## TelVue Hosted Broadcasting™, TelVue Connect™ TelVue CloudCast™

This Acceptable Use Policy ("Policy") outlines unacceptable use of TelVue Corporation ("TelVue") Hosted Broadcasting™, TelVue Connect™ and TelVue CloudCast™ which interact with, or access, the Internet (the "Services"). This Policy is in addition to any other terms and conditions under which TelVue provides the Services to you.

TelVue may make reasonable modifications to this Policy from time to time by posting a new version of this document on the TelVue web site at <http://www.telvue.com/hostedservices/AU>. Revisions are effective upon posting. Accordingly, we recommend that you visit the TelVue Web site periodically to ensure that your activities conform to the most recent version. Questions about this Policy (e.g., whether any contemplated use is permitted) and reports of violations of this Policy should be directed [support@telvue.com](mailto:support@telvue.com).

The examples listed in this Policy are not exhaustive. Prohibited uses and activities include, without limitation, any use of Services in a manner that, in TelVue's reasonable judgment, involves, facilitates, or attempts any of the following:

- Violating any law of, or committing conduct that is tortious or unlawful in, any applicable jurisdiction;
  - Advocating or encouraging violence against any government, organization, group, individual or property, or providing instruction, information, or assistance in causing or carrying out such violence, regardless of whether such activity is unlawful;
  - Accessing, sending, receiving, displaying, performing, disclosing, storing, or executing any content a) in violation of any copyright, right of publicity, patent, trademark, service mark, trade name, trade secret or other intellectual property right, b) in violation of any applicable agreement, or c) without authorization;
  - Deleting or altering author attributions, copyright notices, or trademark notices, unless expressly permitted in writing by the owner;
  - Obtaining unauthorized access to any system, network, service, or account;
  - Interfering with service to any user, site, account, system, or network by use of any program, script, command, or otherwise;
  - Introducing or activating any viruses, worms, harmful code and/or Trojan horses;
  - Reselling TelVue Hosted Services, in whole or in part, to any entity or individual, without TelVue's prior written consent, or misrepresenting your relationship with TelVue.
